IT IS THE NIGHT

The night begins. Lights dim, music rises, glasses meet.

Here, influence meets impact, and Fiji's leaders come together in red and gold. Prestige with purpose.

Elegance with empathy.

Experience a setting worthy of such distinction.

THE LOCATION

For the very first time, the Red Cross Ball takes place in the brand-new Crowne Plaza Fiji Nadi Bay Resort & Spa Convention Center—a breathtaking space that seats over 700 guests. Be among the first to step into this exclusive setting and experience a night of elegance, enchantment, and unforgettable memories.

COCKTAILS AT SUNSET

Your evening begins beneath a sky brushed in gold and crimson—the kind of sunset only Fiji can offer. Out on the lawn, the air hums with conversation and the rhythm of deep house music drifts through the breeze. Glass in hand, you mingle among leaders, friends, and changemakers, surrounded by a striking exhibition of photographs that trace the Red Cross through the decades. It's a moment to savour, to connect, to feel the promise of an extraordinary night about to begin.

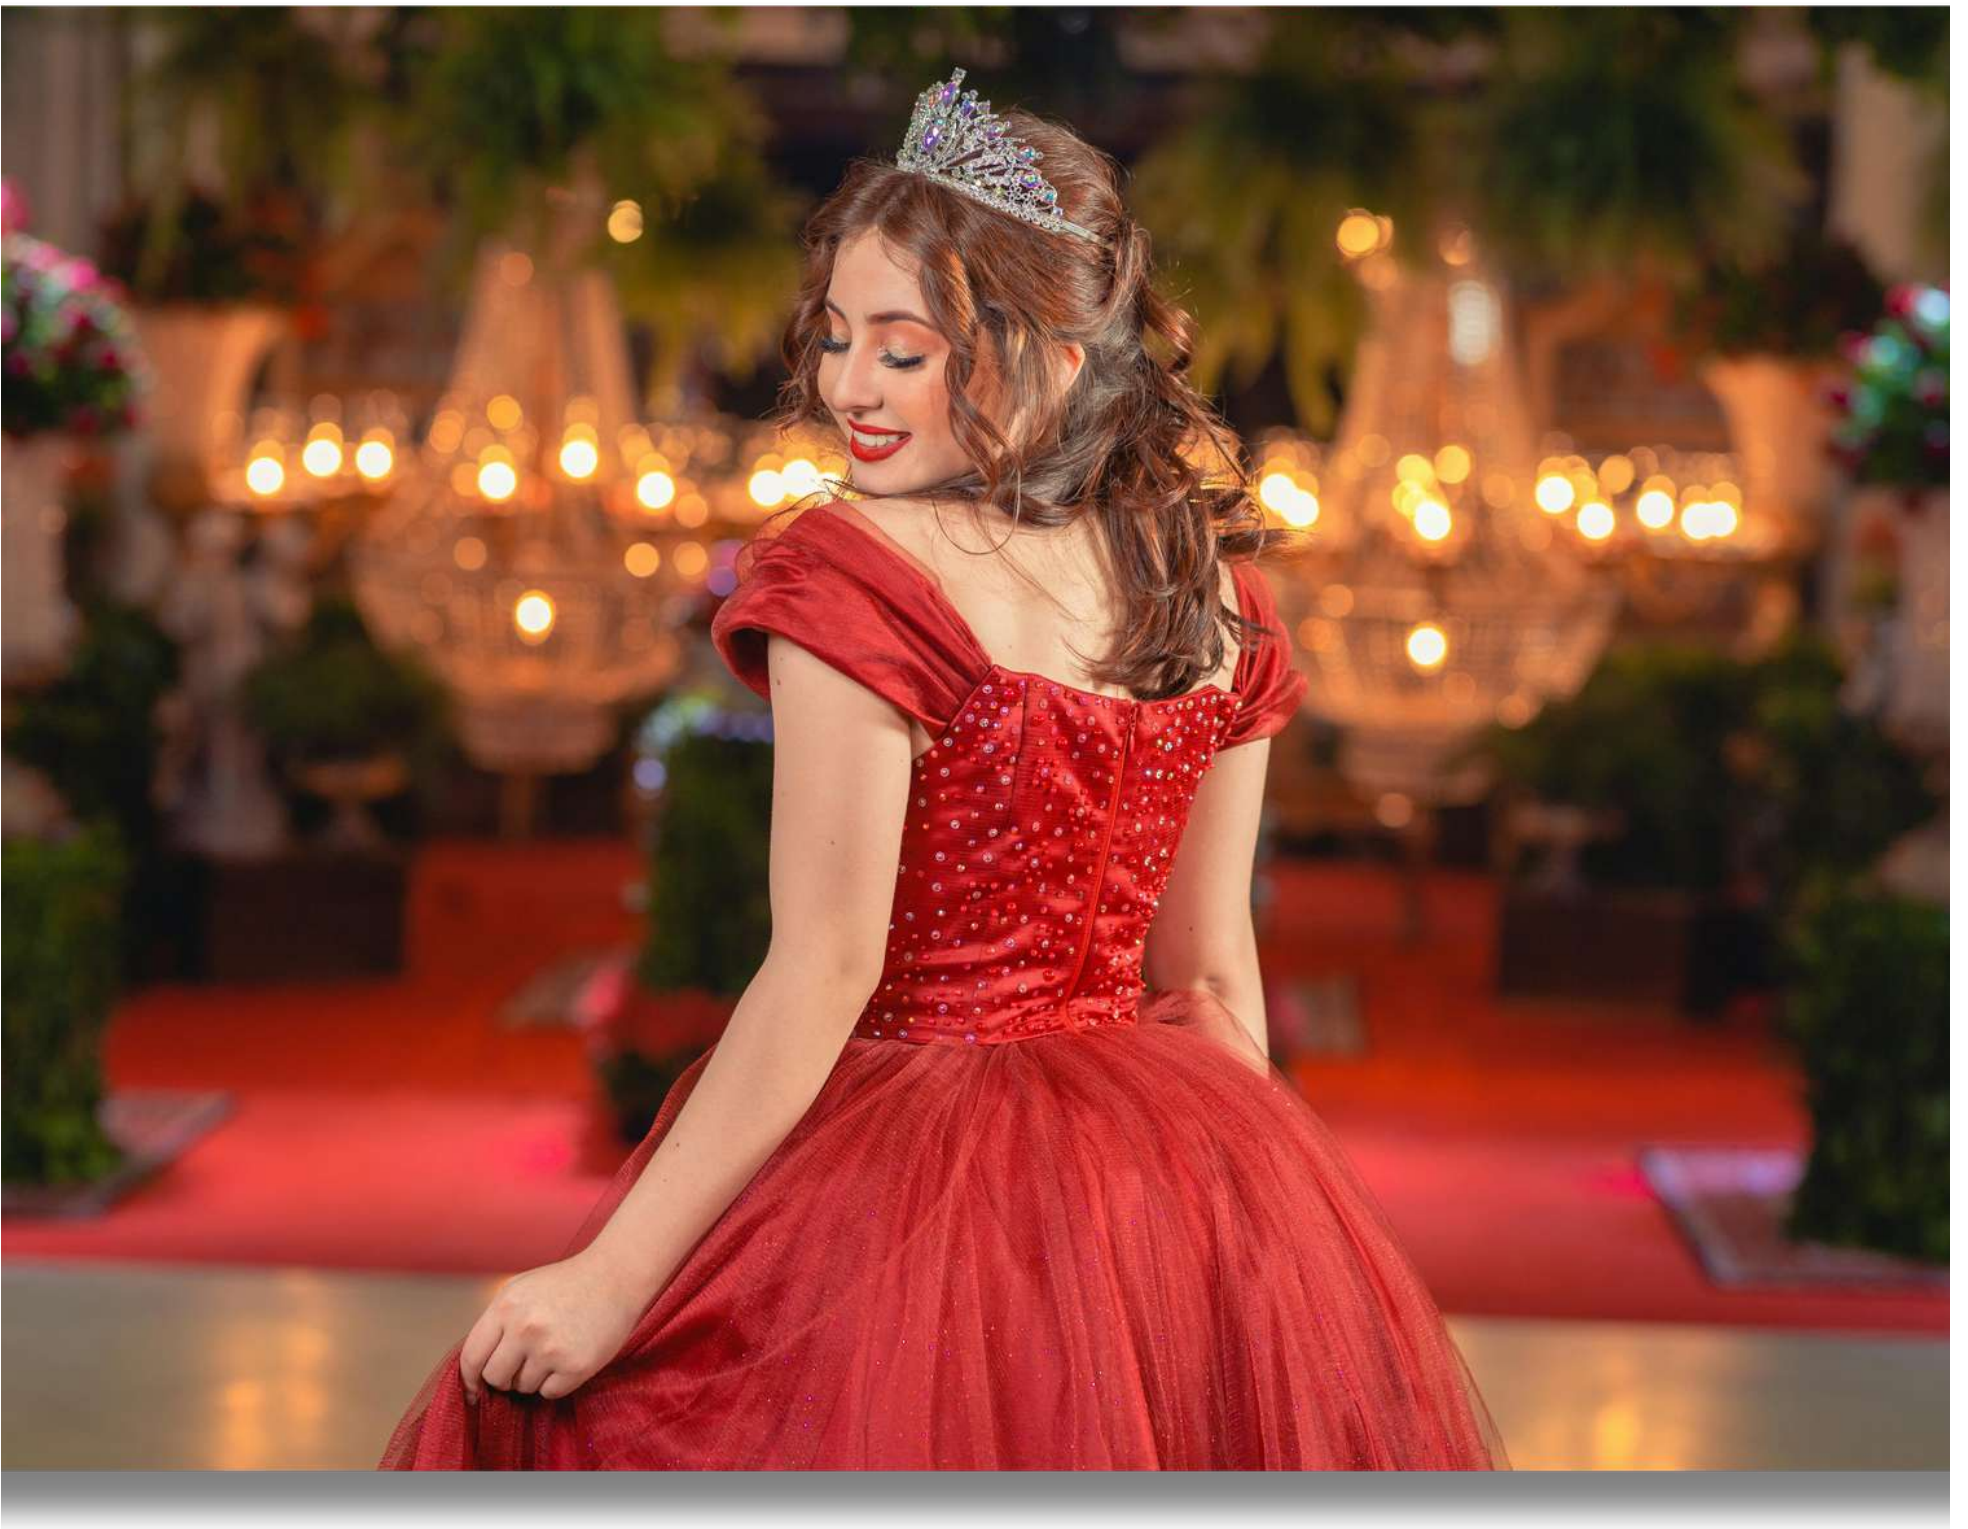

THE FEAST

Prepare your palate for an evening of indulgence. A meticulously crafted multi-course dinner awaits—each plate a celebration of flavour and finesse. From tender cuts to vibrant vegetarian creations, every dish is thoughtfully paired with exceptional wines sourced from the finest vineyards around the world. This is dining elevated—crafted for conversation, connection, and pure enjoyment.

EVENING GROOVE

When the lights shift and the rhythm takes over, the night comes alive. Fiji's own InsideOut takes the stage—bringing the kind of energy that fills a ballroom and moves every soul in it. From timeless classics to modern favourites, their sound is irresistible. So get ready to loosen up, kick off your heels, and dance the night away—because the Red Cross Ball doesn't end with dinner... it begins with the music.
